### ITEMS TO BE SEARCHED AND/OR SEIZED

This warrant authorizes (i) the search of the property identified in Attachment A for only the following and (ii) authorizes the seizure of the items listed below only to the extent they constitute the following:

- (a) evidence of violations of 18 U.S.C. §§ 2252 and 2252A ("subject violations"); or
- (b) any item constituting contraband due to the subject violations, fruits of the subject violations, or other items possessed whose possession is illegal due to the subject violations; or
- (c) any property designed for use, intended for use, or used in committing any subject violations.

Subject to the foregoing, the items authorized to be seized are:

1. Computers or storage media used as a means to commit the violations described above.
2. For any computer or storage medium whose seizure is otherwise authorized by this warrant, and any computer or storage medium that contains or in which are stored records or information that is otherwise called for by this warrant (hereinafter, "COMPUTER"):
  - a. evidence of who used, owned, or controlled the COMPUTER at the time the things described in this warrant were created,

edited, or deleted, such as logs, registry entries, configuration files, saved user names and passwords, documents, browsing history, user profiles, email, email contacts, "chat," instant messaging logs, photographs, and correspondence;

- b. evidence of software that would allow others to control the COMPUTER, such as viruses, Trojan horses, and other forms of malicious software, as well as evidence of the presence or absence of security software designed to detect malicious software;
- c. evidence of the lack of such malicious software;
- d. evidence of the attachment to the COMPUTER of other storage devices or similar containers for electronic evidence;
- e. evidence of programs (and associated data) that are designed to eliminate data from the COMPUTER;
- f. passwords, encryption keys, and other access devices that may be necessary to access the COMPUTER;
- g. documentation and manuals that may be necessary to access the COMPUTER or to conduct a forensic examination of the COMPUTER;

- h. records of or information about Internet Protocol addresses used by the COMPUTER;
- 3. Routers, modems, and network equipment used to connect computers to the Internet.
- 4. Child pornography, as defined in 18 U.S.C. § 2256(8), visual depictions of minors engaging in sexually explicit conduct, as defined in 18 U.S.C. § 2256(2), and child erotica.
- 5. Records, information, and items relating to violations of the statutes described above in the form of:
  - a. Records, information, and items reflecting the occupancy or ownership of the SUBJECT PREMISES, 104 St. Thomas Drive, apt. 2A, Greensboro, NC 27406, including utility and telephone bills, mail envelopes, or addressed correspondence;
  - b. Records, information, and items reflecting the ownership or use of computer equipment found in the above residence, including sales receipts, bills for Internet access, and handwritten notes;
  - c. Records and information reflecting the identity or location of the persons suspected of violating the statutes described above;

- d. Records and information relating to sexual exploitation of children, including correspondence and communications between users of child pornography and exploitation websites.

As used above, the terms “records” and “information” includes all forms of creation or storage, including any form of computer or electronic storage (such as hard disks or other media that can store data); any handmade form (such as writing); any mechanical form (such as printing or typing); and any photographic form (such as microfilm, microfiche, prints, slides, negatives, videotapes, motion pictures, or photocopies).

The term “computer” includes all types of electronic, magnetic, optical, electrochemical, or other high speed data processing devices performing logical, arithmetic, or storage functions, including desktop computers, notebook computers, mobile phones, tablets, server computers, and network hardware.

The term “storage medium” includes any physical object upon which computer data can be recorded, including external and internal hard drives, flash drives, thumb drives, micro SD cards, macro SD cards, DVDs, gaming systems, SIM cards, cellular phones capable of storage, floppy disks, compact discs, magnetic tapes, memory cards, memory chips, and other magnetic or

optical media.

During the execution of the search of the PREMISES described in Attachment A, law enforcement personnel are also specifically authorized to compel Anthony MASTRIACO to provide biometric features, including pressing fingers (including thumbs) against and/or putting a face before the sensor, or any other security feature requiring biometric recognition, of:

- (a) any of the DEVICES found at the PREMISES, and
- (b) where the DEVICES are limited to those which are capable of containing and reasonably could contain fruits, evidence, information, contraband, or instrumentalities of the offense(s) as described in the search warrant affidavit and warrant attachments,

for the purpose of attempting to unlock the DEVICES's security features in order to search the contents as authorized by this warrant, but only if Anthony MASTRIACO is present at the PREMISES at the time of execution and the process is carried out with dispatch in the immediate vicinity of the PREMISES.

This warrant does not authorize law enforcement personnel to compel any other individuals not residing, but otherwise found at the PREMISES, to

provide biometric features, as described in the preceding paragraph, to access or otherwise unlock any DEVICE. Further, this warrant does not authorize law enforcement personnel to compel Anthony MASTRIACO state or otherwise provide the password or any other means that may be used to unlock or access the DEVICES, including by identifying the specific biometric characteristics (including the unique finger(s) or other physical features) that may be used to unlock or access the DEVICES.
